Esoft Metro Campus · 2016

GCE Ordinary Level
Nalanda College · 2015

PROFILE

Multimedia undergraduate at NSBM with hands-on experience as Facebook and Instagram page admin for an education business, replying to every customer message and enquiry while also administering its Moodle LMS. Creates visual and video content with Photoshop, Illustrator and Premiere Pro, and builds responsive websites with HTML, CSS and JavaScript. A clear, friendly communicator in English and Sinhala, keen to help a leading travel brand tell Sri Lanka's story online.

EXPERIENCE

Assistant Social Media Manager

Enya Language Center · Jul 2026 – Oct 2026

- Maintained Facebook and Instagram as page admin for a language institute offering English, German and Russian classes and IELTS, PTE and Cambridge preparation.
- Checked and replied to every message and enquiry on both platforms, keeping the pages responsive throughout the placement.
- Administered the institute's Moodle LMS, which was the main focus of the role alongside the two social media pages.
- Also marked online exams for students across the institute's courses.

SELECTED PROJECTS

GamePlayMate: Web Platform

Solo Project · HTML5, CSS3, JavaScript
zerosnake00.github.io/GameplayMate

- Designed and built a web platform promoting specialised services to players of Genshin Impact, Honkai: Star Rail, Wuthering Waves and Zenless Zone Zero.
- Created a responsive, card-based interface with custom video players, defining the visual identity end to end.
- Identified a real audience need (platform restrictions on third-party gaming services) and launched a self-hosted alternative.

Cart-kun: E-Commerce Web App

Personal Project · Firebase, JavaScript
shopping-cart-61720.web.app

- Built and deployed a shopping-cart web app with Firebase Authentication, Firestore and Firebase Hosting.

Team Game Project: Level Designer

Unreal Engine 5 · University Group Assignment, NSBM

- Worked with programmers and artists to turn paper designs into a playable in-engine build, owning layout, pacing and environmental storytelling.
